Compounder of Medicine is second to no man in the Southwest. Twenty-five or thirty years ago, as my fellow-citizens know full well, found make hind the prescription counter in the city in which I now dwell; I have cured more people of various diseases than all the physieinns in Louisville put together. Undoubtedly, for every single patient that any Louisville physician has I have a hundred. I am no upstart of yesterday. My Medicinerare a success - a great success. Louisville is not large enough for me to have a competitor. I monopolize the Wholesale Patent Medicine Trade here. One and another has tried, by capying after me here in Louisville, to compete with me, but, one after another, their guns have been silenced, and their efforts have been abortive. My Medicines are good and nuswer the nurpose—that is the secret of my success. My reputation as a compounder of good, re-

liable articles is fully established. I believe my Buchn and Bromide of P. tassium is the best article now in the market for the cure of all diseases of the arinary or genito-unrinary organs, such as Nocturnal Incontinence, Irritability of the Bladder and Ure hra, Inflammation of the Pelvis of the Kleiney, and all that class of diseases. Buy a silar bottle and be cured. Use as per directions in all cases. JOHN BULL, M. D.

FOR THE CURE OF

AGUE AND FEVER

CHILLS AND FEVER.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwesttrath of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, predent, and in every case more certain to cure, if its use is continued in smaller deses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, oct 12 this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medi-cine, after baying taken three or four doses of the Tonic, a single dose of BULL S VEG-ETBALE FAMILY PILLS will be sufficient.
